# THERE ARE THREE ELEMENTS TO THE BASIC COST OF YOUR STAND:

**STAND SIZE**  
**+ STAND CONFIGURATION**  
**+ STAND POSITION**  
**= STAND COST**

**ALL PRICES ARE EXCLUSIVE OF VAT**

## 01 CO-EXHIBITING

If exhibitors elect to share a stand at UK Games Expo, UK Games Expo Ltd needs to know and have full contact details for each company.

The first company in the booking form will be known as the hirer and is solely responsible for all invoices incurred. Each additional company will be known as a co-exhibitor. It is essential that UK Games Expo is aware of every company participating in the event. There is a £25 + VAT administration fee for each co-exhibitor payable

by the hirer as part of the stand fee.

*Example: If you are the only exhibitor then this doesn't apply. If you book a stand and allow two smaller companies to exhibit on that stand space then each additional company will be required to submit their company details and you as the hirer book the stand but also give us details of co-exhibitors.*

**Please download and fill co-exhibitor forms for each co-exhibitor from the UKGE website.**

## 02 STAND SIZE

### STARTER STAND

If you are new to exhibiting at UKGE and wish to test out if the UKGE is the best place for you to attend, a starter stand may be for you. The starter stand is a set size and configuration and its position is decided by UKGE. However it comes at a discounted price.

- Starter stands are for new exhibitors who have never exhibited with us before.
- They are for exhibitors

who are wanting a single 2mx2m or a single 2mx3m stand only. That is 4m<sup>2</sup> or 6m<sup>2</sup>.

- Starter stands cannot be combined with other stands.
- Starter stands are placed entirely at the discretion of the organisers in standard areas.
- Starter stands are priced at £30.00 per square meter.

*Example:  
A 2m x3m Starter Stand will cost £180+ VAT*

### ALL OTHER STANDS

When choosing your stand size you may take as much space as you are happy to pay for but the minimum stand size is 4m<sup>2</sup>

**Stands are charged at £47.50m<sup>2</sup>**

*Example:  
A stand that is 5mx2m = 10m<sup>2</sup>  
£47.5m<sup>2</sup> x 10 = £475 + VAT*

# 03 STAND CONFIGURATION

Stand configurations are based on the number of customer facing sides that the stand has.

- Standard Stand**  
 One Customer facing side = zero supplement
- Corner Stand**  
 Two customer facing sides = £80 supplement
- End Cap Stand**  
 Three customer facing sides = £200 supplement
- Island Stand**  
 Four customer facing sides = £500 supplement

If you require a stand configuration other than standard then a supplement is added to your cost. The size of the stand does not matter,

the supplement is a one off charge; not per square metre.

*For Example:*  
 A 5m x 2m stand at a standard configuration attracts no supplement. £475+vat as detailed in the stand size example.

A 5m x 2m corner stand will attract a £80 supplement.  
 £475 + £80 = £555 + vat

A 5m x 2m End Cap stand will attract a £200 supplement.  
 £475+ £200 = £675 + vat

A 5m x 2m Island stand will attract a £500 supplement.  
 £475 + £500 = £975 + vat

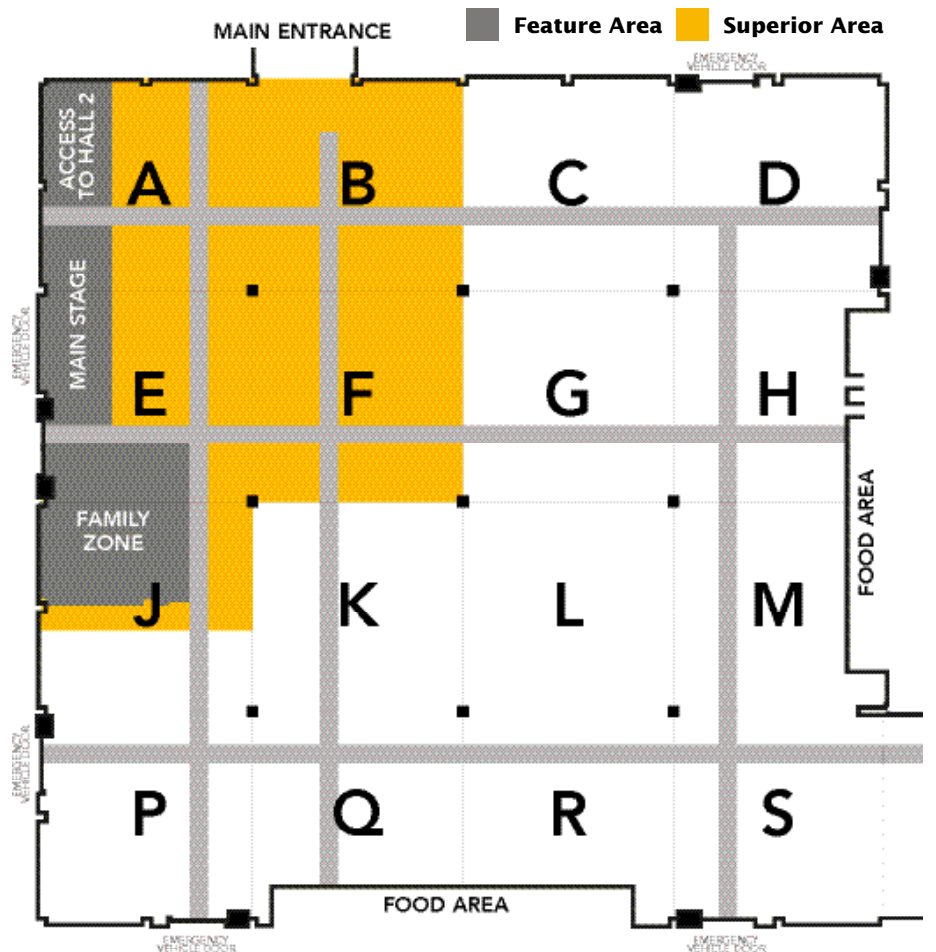

# 04 STAND POSITION

Certain areas of Hall 1 will naturally have greater footfall or places where people will congregate giving greater opportunities to stands in those areas. (e.g. food areas, around the family zone or close to the main entrance.)

These areas are designated as superior areas and stands placed in these areas cost an additional £10 per m<sup>2</sup>. A stand is considered in a superior area if any part of the stand is in a superior area.

When booking a stand you may also indicate a preference for a part of the hall by adding the grid square to the booking form. See map of Hall 1.

*For example*  
 A 5m x 2m corner stand = £555 + vat  
 In a Superior position this would cost an additional £100 = 10m<sup>2</sup> x £10

**Map is provisional only - locations may change.**

## 06 POWER

The cost of supplying power at the NEC varies according to a number of factors.

Power supply has three components:

1. Mains Supply.
2. Power draw required in Watts.
3. Number of sockets required.

We have included the supply of mains in the cost of supplying the power to simplify

To calculate your power costs:

1. Work out your required power draw in watts.
2. Supply cost = £75 per 500W.
3. Now add your socket requirements = £60 per socket.

### ALL PRICES EXCLUDE VAT

*Example:*

- 500W supply with two sockets.
- Power in Watts  $1500/500 = 3$
- $3 \times £75 = £225$
- Sockets  $2 \times £60 = £120$
- Total = £345 + vat

Note: The £75 per 500w charge only applies if 3 stands or more in a block request power. If less than 3 stands in your block request power we will contact you to discuss the cost of power for your block. Island stands require their own mains supply and MUST request a bespoke quote. Please contact richard@ukgamesexpo.co.uk.

Please consult the UKGE website for guidance on power installation.

## 07 INTERNET AND PHONE LINES

There is Wi-Fi in Hall 1 but if your sales point requires the internet you may want the reliability of a wired connection. If you need to add these facilities to your stand they are hired direct from the NEC. A catalogue of the items available and prices will be linked to under exhibitor on the UK Games Expo website.

## 08 TERMS AND CONDITIONS

# 17 FAQ

## HOW MANY TRADE PASSES DO I RECEIVE?

All exhibitors at UK Games Expo will require trade passes to enter the trade hall – this will allow you to get in during trader access hours.

We use a simple formula to calculate how many passes you are entitled to.

One per exhibitor/co-exhibitor plus one for every 4m<sup>2</sup> blocks of space (rounded up)

*Example 1: Trader "BIG GAMES Ltd" booked 20m x 2m of space (40m<sup>2</sup>). He will receive 11 passes.*

*Example 2: Trader "SMALL GAMES R US" booked 2m x 2m of space. He will receive 2 passes.*

We do not post out passes. These passes will be ready for you on arrival:

Additional trader passes can be purchased by a trader at the cost of £10 for the weekend. Purchase these on arrival when you collect your passes. The number you can buy is connected to the size of your stand. Up to 10m<sup>2</sup>: 2 Passes. For each additional 10m<sup>2</sup> you can buy 2 further passes.

## HOW CAN I TELL YOU ABOUT MY GAMES?

We make heavy use of an extensive Facebook, Twitter, Instragram and newsletter following and we are developing other social media audiences. They are always very eager to hear of news of what is planned at UKGE, what new games we have, what events are going on and which gaming celebrities will be there. You can help by emailing us your news and images. Send us press releases relevant to your attendance and we will send them out. See the marketing section for details
